1. Mission. The 22d Intelligence Squadron (22 IS) is an operational component of the 694th Intelligence Group (694 IG). Persons assigned to the 22 IS task, conduct operations on, and provide effective organization, control, technical guidance, and support of intelligence collection and processing activities in support of the Department of Defense (DoD) and other authorized organizations as an integral part of the National Security Agency (NSA). The 22 IS is specialized and consists of teams of intelligence professionals. It ensures the proper placement and timely integration of qualified personnel into NSA. The 22 IS sustains quality of life and ensures adequate training for all to be able to meet Air Force and NSA peacetime and warfighting objectives.

2. Command. The 22 IS Commander (22 IS/CC):

- 2.1. Is subordinate to the 694 IG Commander (694 IG/CC).
- 2.2. Exercises command and control of 694 IG personnel dispersed among the 22 IS flights.

3. Responsibilities. The 22 IS/CC:

- 3.1. Oversees administrative and logistical support of assigned flights within NSA.
- 3.2. Provides operational support, in liaison with the 694 IG, to all squadron members involved in NSA activities.
- 3.3. Coordinates with appropriate NSA elements within groups to present orientation briefings and support to supervisors of squadrons members.
- 3.4. Executes duties as necessary, or as directed by higher headquarters.
